

## SIGNS

The boundary of the Travel Restricted Area is marked on all major entry points by a "Entering Motor Travel Restricted Area" sign and a "Leaving Motor Travel Restricted Area" sign as shown below:

ENTERING MOTOR TRAVEL RESTRICTED AREA

LEAVING MOTOR TRAVEL RESTRICTED AREA

Other route signs you may encounter are:

**TRAIL BIKE SIGN** Marks the start of a DESIGNATED TRAIL BIKE ROUTE. Route CLOSED to other motor vehicles

**OFF-ROAD VEHICLE SIGN** Marks the start of a DESIGNATED OFF-ROAD VEHICLE ROUTE

**SNOWMOBILE SIGN** Marks DESIGNATED SNOWMOBILE ROUTES

**ATV SIGN** Marks all other types of vehicles

**OPEN ROUTE**

**CLOSED ROUTE SIGN** Signs with a RED SLASH indicate that the route is CLOSED TO TRAIL BIKES

**CLOSED ROUTE SIGN** Signs with a RED SLASH indicate that the route is CLOSED TO DESIGNATED OFF-ROAD VEHICLES

**CLOSED ROUTE SIGN** Signs with a RED SLASH indicate that the route is CLOSED TO SNOWMOBILES

## LEGEND

Map symbol or field sign

- Applies to motor vehicles of 40" width or more
- Applies to two-wheel vehicles such as trail bikes, scooters, or motorcycles designed for trail use. No larger vehicles may be used on any Forest trails, unless otherwise designated
- Applies to snowmobiles or any other vehicle capable of oversnow travel. This would include vehicles which run on cleats, bells, tracks, skis, or low-pressure tires
- Applies to all other vehicles such as ATV's, mountain bicycles, etc.
- Signs with slash indicate the route is closed to the use indicated

GRAY — Lands not covered by this plan

National Forest land open to all motorized/mechanized vehicles, except where specified

National Forest land closed yearlong to all motorized/mechanized vehicles

National forest land with restrictions

Designated Road

Designated Trail

1 — Designated Road with restrictions

2 — Designated Trail with restrictions

3 — Area Reference Number

Gate

Point of Restriction

This Travel Map applies only to the National Forest

These areas are unrestricted—exceptions are noted on the map

Congressionally designated wilderness and other areas managed to provide non-motorized recreation

Types of vehicles and time periods of restrictions are listed under AREA USE RESTRICTIONS

Route open to motorized/mechanized vehicles in an area that is otherwise restricted

Types of vehicles and time periods of restrictions are listed under ROAD AND TRAIL RESTRICTIONS
