Attention: Catherine Robertson

Dear Catherine,

This letter is to express our support for your proposal to charge fees at the North Fruita Desert Campground site. Due to the greatly increasing usage of the 18 road area for camping, COPMOBA feels that it is imperative that adequate camping facilities be maintained in the area to avoid future environmental damage, camping area sprawl, and human waste problems.

If charging a $10.00 fee will allow the Bureau of Land Management to maintain a proper camping facility with a campground host, toilets and trash containers, then we fully support your efforts.

Cordially,

Chris Muhr, President
Colorado Plateau Mountain Bike Trail Association
