Subject: Keep the Upper Chattooga Wild & Scenic

Dear U.S. Forest Service,

I am writing to keep the seven miles of the Upper Chattooga River Wild.

I would like the Forest Service to adopt Alternatives 2 or 3 to allow foot traffic only on this part of the river, as the Forest Service has for the last 30 years. I feel that it is important to have areas that are strictly foot accessible...which has less impact on the ecosystem of the area

I highly oppose Alternatives 4 and 8, that allows the Upper Chattooga to boating. There are plenty of other alternatives to boaters, as I have boated in the past.

Please consider Alternatives 2 or 3. Thank you for your time.

Sincerely,

Lindsay Pullen
