I appreciate the opportunity to voice my opinion on the Upper Chattooga Environmental Assessment. The Upper Chattooga is a unique biological and cultural resource that will be changed forever by the human impacts associated with boating and would be best protected by no change in the current management. I support Alternative 1.

This is a area I have been to many times for white water rafting and day hiking, I would hate to see it change or for us to loose the valuable resource.

Thank you!
