I appreciate the opportunity to voice my opinion on the Upper Chattooga Environmental Assessment. The Upper Chattooga is a unique biological and cultural resource that will be changed forever by the human impacts associated with boating and would be best protected by no change in the current management. I support Alternative 1. If a change is inevitable, I would support Alternatives 1-3, but would be vehemently opposed to Alternatives 4-10.

Under no circumstances would I support opening the Upper Chatooga to unrestricted (or minimally restricted) boating.

Thank you!
