I appreciate the opportunity to voice my opinion on the Upper Chattooga Environmental Assessment. The Upper Chattooga is a unique biological and cultural resource that will be changed forever by the human impacts associated with boating and would be best protected by no change in the current management. I support Alternative 1.
We have precious few true natural wilderness ares left in this country let alone in the great state of Georgia which has been my home for all of my 50 years. Please do not allow changes to be made to this precious resource.
Thank you!
