Use the "NCC" Crew Number and Contract Number on all Invoices, Crew Time Reports, and Crew Performance Ratings.

* Federal Agencies listed in Section C.2(a) may order, in accordance with Agency policies and procedures, the Optional Items identified in the Schedule of Items of the awarded crew contract. Optional Items may only be ordered if required at the same incident where the crew is assigned and in direct support of the work being performed by that crew. All authorized orders for Optional Items must be documented on an Equipment Resource Order and are subject to the delivery requirements as stated therein. At no time shall any Government official order Optional Items such as engines, trucks, vans, 4X4 vehicles, etc. under these contracts. (See Contract section B.2 Optional Items.)
