Dear Mr. Metheny:

I have considered your request for an extension to the cure notice dated on November 7, 2008. The effective dates of your response to cure notice for both contracts will be revised to December 04, 2008, COB. The extension allows you almost a month to address the concerns identified in the letter. It is imperative we meet that date in order to facilitate the review process

If you have any questions, please call me at (208) 387-5347.

Sincerely,

FRANK GOMEZ  
CONTRACTING OFFICER
