Subject: Periodic Sale Announcement Report

To: Interested Public

Enclosed is the timber sale program for the time period April 1, 2009 through March 31, 2010. This 12-month program lists the proposed timber sales for the Ranger Districts on the Idaho Panhandle National Forests.

Sales shown with a Firm decision date have an approved environmental document. If the sale does not have an approved environmental document, the decision to make the sale is not yet final. A separate announcement will be made when the environmental document is available.

If you wish additional information concerning individual timber sales listed in the program, please contact the applicable Ranger District.
