Subject: Periodic Sale Announcement Report

To: Interested Public

Enclosed is the timber sale program for the time period October 1, 2008 through September 30, 2009. This 12-month program lists the proposed timber sales for the Ranger Districts on the Idaho Panhandle National Forests.

Sales shown with a firm decision date have an approved environmental document. If the sale does not have an approved environmental decision, the decision to make the sale is not yet final. A separate announcement will be made when the environmental document is approved.

If you wish additional information concerning individual timber sales listed in the program, please contact the applicable Ranger District.
