

Estimated Current and Proposed Miles of Road and Trail on the Coeur d'Alene River Ranger District

September 28, 2006

**DRAFT:
SUBJECT TO
CHANGE!**

Routes available for motorized use on a seasonal basis are not displayed.

Road/Trail Designation	Estimated Current Miles	Proposed Change (Miles)	Total Under the Proposed Action (Miles)
Estimated total of roads on the District	7,471	0	7,471
Undesignated roads, not available for any motorized use	1,296	0	1,296
Roads available only for administrative use (agency and/or under special use permit)	4,389	-104	4,285
Roads open year round to full-sized vehicles	1,100	0	1,100
Trails open year round to jeeps, ATVs, and motorcycles	0	+48	48
Trails open year round to ATVs and motorcycles	134	+101	235
Trails open year round to motorcycles only	222	-44	178
Trails open to nonmotorized uses only	98	+43	141

The source of all mileage is the Geographic Information System (GIS) database used for mapping on the Coeur d'Alene River Ranger District. Although other sources may provide somewhat different mileages, only the GIS mileages will be recognized in the Travel Plan analysis to avoid confusion during comparison of alternatives.
