

List of Tables

Table 1-1: Under Review, Affected Counties, and Approximate Federal Acres of Each Unit	1-2
Table 2-1: Capable Rangeland for Livestock Grazing.....	2-12
Table 2-2: Management Area Prescription Categories.....	2-28
Table 2-3: Management Area Prescriptions Used in the Alternatives.....	2-29
Table 2-4: Management Area Acres by Alternative for Dakota Prairie Grasslands).....	2-39
Table 2-5: Comparison of Alternatives by Major Revision Topic for Dakota Prairie Grasslands.....	2-40
Table 2-6: Management Area Acres by Alternative for Nebraska National Forest Units.....	2-43
Table 2-7: Comparison of Alternatives by Major Revision Topic for Nebraska National Forest Units.....	2-45
Table 2-8: Management Area Acres by Alternative for Thunder Basin National Grassland	2-49
Table 2-9: Comparison of Alternatives by Major Revision Topic for Thunder Basin National Grassland	2-50
Table CLR-1: Expenditures for Select Hunting, Fishing, Wildlife-Related Recreation.....	3-12
Table CLR-2: Economic Dependency and Diversity of Affected Counties*.....	3-13
Table CLR-3: Comparison of PILT to Non-PILT Payments to Counties.....	3-16
Table CLR-4: Direct and Total Jobs and Income (% change from Alt 1)	3-19
Table CLR-5: Employment and Income Impacts from Oil and Gas Drilling and Production	3-20
Table CLR-6: Annual Timber Volume and Total Jobs and Income	3-20
Table CLR-7: Estimated Returns To Treasury by Alternative (1995 Dollars).....	3-22
Table CLR-8: Economic Efficiency	3-24
Table CLR-9: Financial Efficiency	3-25
Table CLR-10: Budget Analysis	3-28
Table CLR-11: Recent State Population Changes	3-34
Table CLR-12: Historic Population Changes in Northern Great Plains Assessment States.....	3-34
Table CLR-13: Population Changes of Affected Counties.....	3-34
Table CLR-14: State Population Estimates and Projections	3-36
Table CLR-15: American Indian Population in Assessment States.....	3-37
Table CLR-16: Population Characteristics of Assessment States (1990 Census Results)	3-37
Table CLR-17: Population Characteristics of Affected Counties (1990 Census Results).....	3-38
Table CLR-18: Summary of Effects of Alternatives on Management Goals of Major User/Interest Segments.....	3-49
Table CLR-1: Expenditures for Select Hunting, Fishing, Wildlife-Related Recreation.....	3-12
Table CLR-2: Economic Dependency and Diversity of Affected Counties*.....	3-13
Table CLR-3: Comparison of PILT to Non-PILT Payments to Counties.....	3-16
Table CLR-4: Direct and Total Jobs and Income (% change from Alt 1)	3-19
Table CLR-5: Employment and Income Impacts from Oil and Gas Drilling and Production	3-20
Table CLR-6: Annual Timber Volume and Total Jobs and Income	3-20
Table CLR-7: Estimated Returns To Treasury by Alternative (1995 Dollars).....	3-22
Table CLR-8: Economic Efficiency	3-24

Table CLR-9: Financial Efficiency	3-25
Table CLR-10: Budget Analysis	3-28
Table CLR-11: Recent State Population Changes	3-34
Table CLR-12: Historic Population Changes in Northern Great Plains Assessment States	3-34
Table CLR-13: Population Changes of Affected Counties	3-34
Table CLR-14: State Population Estimates and Projections	3-36
Table CLR-15: American Indian Population in Assessment States	3-37
Table CLR-16: Population Characteristics of Assessment States (1990 Census Results)	3-37
Table CLR-17: Population Characteristics of Affected Counties (1990 Census Results)	3-38
Table CLR-18: Summary of Effects of Alternatives on Management Goals of Major User/Interest Segments	3-49
Table CLR-1: Expenditures for Select Hunting, Fishing, Wildlife-Related Recreation	3-12
Table CLR-2: Economic Dependency and Diversity of Affected Counties*	3-13
Table CLR-3: Comparison of PILT to Non-PILT Payments to Counties	3-16
Table CLR-4: Direct and Total Jobs and Income (% change from Alt 1).	3-19
Table CLR-5: Employment and Income Impacts from Oil and Gas Drilling and Production	3-20
Table CLR-6: Annual Timber Volume and Total Jobs and Income.	3-20
Table CLR-7: Estimated Returns To Treasury by Alternative (1995 Dollars)	3-22
Table CLR-8: Economic Efficiency.	3-24
Table CLR-9: Financial Efficiency.	3-25
Table CLR-10: Budget Analysis	3-28
Table CLR-11: Recent State Population Changes	3-34
Table CLR-12: Historic Population Changes in Northern Great Plains Assessment States	3-34
Table CLR-13: Population Changes of Affected Counties	3-34
Table CLR-14: State Population Estimates and Projections	3-36
Table CLR-15: American Indian Population in Assessment States	3-37
Table CLR-16: Population Characteristics of Assessment States (1990 Census Results)	3-37
Table CLR-17: Population Characteristics of Affected Counties (1990 Census Results)	3-38
Table CLR-18: Summary of Effects of Alternatives on Management Goals of Major User/Interest Segments	3-49
Table RFH-1: Percent of Assessment Area by Cover Type.	123
Table RFH-2: Percent of Grassland Remaining in Northern Great Plains.	125
Table RFH-3: Percent Change Between 1982-1992 in Broad Cover Uses.	125
Table RFH-4. Conservation Recommendations for Helping Maintain and Restore Viability of Plant and Animal Populations.	127
Table RFH-5: Grand/Cedar River National Grassland.. . . .	129
Table RFH-6: Grand/Cedar River National Grassland.. . . .	130
Table RFH-7: McKenzie District, Little Missouri National Grassland.	130
Table RFH-8: McKenzie District, Little Missouri National Grassland.	131
Table RFH-9: Medora District, Little Missouri National Grassland.	131
Table RFH-10: Medora District, Little Missouri National Grassland.	131
Table RFH-11: Sheyenne National Grassland.. . . .	132
Table RFH-12: Sheyenne National Grassland.. . . .	132
Table RFH-13: Mix of Vegetation Types on the Thunder Basin National Grassland.. . . .	133
Table RFH-14: Mix of Vegetation Types on the Nebraska National Forest, Bessey Unit	133

Table RFH-15: Mix of Vegetation Types on the Samuel R. McKelvie National Forest	134
Table RFH-16: Mix of Vegetation Types on the Buffalo Gap National Grassland Fall River Ranger District.	134
Table RFH-17: Mix of Vegetation Types on the Buffalo Gap National Grassland Wall Ranger District.	134
Table RFH-18: Mix of Vegetation Types on the Ft. Pierre National Grassland.	135
Table RFH-19: Mix of Vegetation Types on the Nebraska National Forest Pine Ridge Unit and Oglala National Grassland	135
Table RFH-20: Estimated Acres (%) of Current Grassland Structure Classes on Fort Pierre National Grassland.*	136
Table RFH-21: Grassland Structure Samples on Grand River National Grassland.	137
Table RFH-22: Grassland Structure Samples on Little Missouri National Grassland.	137
Table RFH-23: Grassland Structure Samples on Buffalo Gap National Grassland/Fall	138
Table RFH-24: Grassland Structure Samples on Buffalo Gap National Grassland/Wall.	138
Table RFH-25: Grassland Structure Samples on Oglala National Grassland.	139
Table RFH-26: Grassland Structure Samples on Bessey Unit	139
Table RFH-27: Grassland Structure Samples in the Hills on the Samuel R. McKelvie National Forest	140
Table RFH-28: Grassland Structure Samples in Large Valleys and Flats on the Samuel R. McKelvie National Forest	140
Table RFH-29: Estimate Acres of Existing Shrubland (sagebrush) Structure.	141
Table RFH-30: Forested Land on the Dakota Prairie Grasslands.	141
Table RFH-31: Forested Land on Nebraska National Forest Units	142
Table RFH-32: Forested Land on the Medicine Bow-Routt National Forest Unit (Thunder Basin National Grassland)	142
Table RFH-33: Vegetation Community Types by Planning Unit.	143
Table RFH-34: Percent Desired Mix of Dominant Vegetation Types by Alternative.	147
Table RFH-35: Dominant vegetation types for mid/late seral stage	147
Table RFH-36: Desired grassland structure for Grand River/Cedar River National Grasslands.	150
Table RFH-37: Desired grassland structure for Little Missouri National Grassland.	151
Table RFH-38: Desired grassland structure for Sheyenne National Grassland.	151
Table RFH-39: Desired grassland structure for Thunder Basin National Grassland	152
Table RFH-40: Desired grassland structure for the Buffalo Gap National Grassland.	152
Table RFH-41: Desired grassland structure for Fort Pierre National Grassland.	152
Table RFH-42: Desired grassland structure for Oglala National Grassland.	153
Table RFH-43: Desired grassland structure for Nebraska National Forest (Bessey Ranger District).	153
Table RFH-44: Desired grassland structure for Samuel R. McKelvie National Forest.	154
Table RFH-45: Desired grassland structure for Nebraska National Forest (Pine Ridge Ranger District).	154
Table RFH-46: Desired shrubland structure for Thunder Basin National Grassland.	157
Table RFH-47: Percent of forest acres in Management Areas 5.12 and 5.13 in late successional forest.	159
Table RFH-48. Summary of preliminary biological determinations for imperiled plant species for each alternative.	160
Table RFH-49. Management indicator species for each geographic area in the planning area.	167

Table RFH-50. Estimates of greater prairie chicken habitat and current levels of habitat suitability for nesting on each national grassland and forest.	168
Table RFH-51. Estimates of plains sharp-tailed grouse habitat and current levels of habitat suitability for nesting on each national grassland and forest.	169
Table RFH-52. Estimates of sage grouse habitat and current levels of habitat suitability for nesting on each national grassland.	169
Table RFH-53. Estimates of potential prairie dog habitat and current prairie dog colony acreage on each national grassland and forest.	169
Table RFH-54. Summary of preliminary biological determinations for imperiled species.	170
Table RFH-55. Predicted nesting habitat suitability for greater prairie chicken based on desired vegetation conditions.	172
Table RFH-56. Predicted nesting habitat suitability for plains sharp-tailed grouse based on desired vegetation conditions.	172
Table RFH-57. Predicted acreages of active (protected) black-tailed prairie dog colonies in 10 years by alternative	173
Table RFH-58: Miles of Streams and Acres of Lakes on the Dakota Prairie Grasslands	178
Table RFH-59: Miles of Streams and Acres of Lakes on Thunder Basin National Grassland.	179
Table RFH-60: Miles of Streams and Acres of Lakes on the Nebraska National Forest Units.	179
Table RFH-61: Riparian Condition on the Dakota Prairie Grasslands	180
Table RFH-62: Riparian Condition on the Medicine Bow-Routt National Forest Unit (Thunder Basin National Grassland)	180
Table RFH-63: Riparian Condition on the Nebraska National Forest Units	180
Table RFH-64: Impaired Watersheds on the Dakota Prairie Grasslands	181
Table RFH-65: Impaired Watersheds on the Medicine Bow-Routt National Forest Unit (Thunder Basin National Grassland).	181
Table RFH-66: Impaired Watersheds on the Nebraska National Forest Units	181
Table RFH-67: Acres of Prescribed Burning per Year by Alternative.	188
Table RFH-68: Capable Rangeland Acres (%) Rested on the Dakota Prairie Grasslands.	190
Table RFH-69: Capable Grazing Acres Rested on the Thunder Basin National Grassland.	190
Table RFH-70: Capable Grazing Acres Rested on the Nebraska National Forest Units.	190
Table SAD-1: Nominated Research Natural Areas	3-239
Table SAD-2: Proposed Research Natural Areas	3-240
Table SAD-3: Nominated Research Natural Areas by Alternative	3-241
Table SAD-4: Proposed Research Natural Areas by Alternative.	3-242
Table SAD-5: Existing Research Natural Areas by Alternative	3-242
Table SAD-6: Nominated Research Natural Areas and Capable Rangeland	3-244
Table SAD-7: Proposed Research Natural Areas and Capable Rangeland	3-245
Table SAD-8: Existing Research Natural Areas and Capable Rangeland	3-245
Table SAD-9: Tentatively Suitable Timber Acres by RNA by Alternative.	3-246
Table SAD-10: Proposed Research Natural Areas by Alternative.	3-247
Table SAD-11: Nominated Research Natural Areas within Existing or Recommended Wilderness by Alternative	3-248
Table SAD-12: Existing Wilderness	3-252
Table SAD-13: Inventoried Roadless Areas	3-253

Table SAD-14: Public Proposed Wilderness	3-254
Table SAD-15: Inventoried Roadless Areas Recommended for Wilderness by Alternative.....	3-255
Table SAD-16: Public Proposed Wilderness Recommended for Wilderness by Alternative.....	3-256
Table SAD-17: Summary Ratings for Northern Great Plains Roadless Areas.....	3-258
Table SAD-18: Acres of Wilderness Recommendations by Alternative (All Units).....	3-260
Table SAD-19: Acres of Wilderness Recommendations on the Dakota Prairie Grasslands.....	3-260
Table SAD-20: Acres of Wilderness Recommendations on the Nebraska National Forest .	3-260
Table SAD-21: Acres of Wilderness Recommendations on the Thunder Basin National Grassland	3-260
Table SAD 22: Roadless Area Acreage ² Allocations to Management Areas Dakota Prairie Grasslands	3-260
Table SAD 23: Roadless Area Acreage ³ Allocations to Management Areas Thunder Basin National Grassland	3-261
Table SAD 24: Roadless Area Acreage ⁴ Allocations to Management Areas Nebraska National Forest	3-261
Table SAD-25: Management Area Acres (and Percentages) By Alternative that Generally Do or Do Not Retain Undeveloped Natural Characteristics.....	3-262
Table SAD-26: Potential Special Interest Areas	3-270
Table SAD-27: Special Interest Areas by Alternative.....	3-273
Table SAD-28: Wild and Scenic River Inventory	3-281
Table SAD-29: Theodore Roosevelt National Park Classifications for the Little Missouri River	3-281
Table SAD-30: Recommendations by Alternative (miles)	3-282
Table SAD-31: National Park Service Recommendations by Alternative (miles).....	3-288
Table FM-1: Wildfire Occurrences on the Planning Units.....	3-308
Table FM-2: Acres of Prescribed Burning per Year by Alternative	3-310
Table FM-3: Constrained Prescribed Burn Levels for Alternative 4 and 5.....	3-310
Table FOS-1: Fossils by Formation	3-314
Table W-1. Acres of semi-permanent and permanent wetlands (constructed and natural) on each planning unit, based on the National Wetlands Inventory.	3-347
Table W-2. Priority neotropical migratory landbirds on the Dakota Prairie Grasslands. ...	3-348
Table W-3. Priority neotropical migratory landbirds on the Nebraska National Forest and Associated Units.....	3-349
Table W-4. Priority neotropical migratory landbirds on the Thunder Basin National Grassland.....	3-349
Table W-5. Primary summer habitats of priority neotropical migratory landbirds.....	3-350
Table W-6. Acreages identified as bighorn sheep habitat on the Nebraska National Forest (Pine Ridge Ranger District).	3-352
