

TABLE OF CONTENTS

Purpose and Need for Action	S-1
Introduction	S-1
Dakota Prairie Grasslands	S-1
Medicine Bow-Routt National Forest Unit	S-1
Nebraska National Forest Units	S-1
Purpose and Need	S-2
Decisions Made in a Management Plan	S-2
The Planning Units	S-3
Dakota Prairie Grasslands	S-4
Cedar and Grand River National Grasslands	S-4
Little Missouri National Grassland	S-5
Sheyenne National Grassland	S-5
Medicine Bow-Routt National Forest Unit:	S-5
Thunder Basin National Grassland	S-5
Nebraska National Forest Units	S-5
Bessey Ranger District and Samuel R. McKelvie National Forest	S-5
Buffalo Gap National Grassland	S-6
Fort Pierre National Grassland	S-6
Oglala National Grassland	S-7
Pine Ridge Ranger District	S-7
Major Revision Topics	S-7
Community and Lifestyle Relationships	S-7
Livestock Grazing	S-8
Oil and Gas Leasing	S-9
Plant and Animal Damage Control	S-10
Rangeland and Forest Health	S-10
Recreation and Travel Management	S-11
Special Area Designations	S-12
Other Topics	S-13
Other Topics Raised But Not Addressed	S-13
Description and Comparison of the Alternatives	S-13
Introduction	S-13
Important Points Common to All the Alternatives	S-14
Collaborative Group Results Used in Alternatives	S-15
Dakota Prairie Grasslands	S-15
Grand River Collaborative Group	S-15
Little Missouri Collaborative Group	S-15
Sheyenne Collaborative Group	S-15
Nebraska National Forest Units	S-15
Bessey Collaborative Group	S-15
Fall River Collaborative Group	S-16

Table of Contents, cont.

Alternatives Considered in Detail	S-16
Alternative 1 (No Action)	S-16
Alternative 2.....	S-16
Alternative 3 (Preferred).....	S-16
Alternative 3a.....	S-16
Alternative 4	S-16
Alternative 5.....	S-16
The Major Revision Topics and the Alternatives Considered in Detail	S-17
Community and Lifestyle Relationships.....	S-17
Livestock Grazing.....	S-19
Oil and Gas Leasing	S-22
Plant and Animal Damage Control	S-24
Noxious Weed Control.....	S-24
Prairie Dog Damage Control.....	S-24
Predator Damage Control	S-24
Grasshopper Damage Control	S-24
Rangeland and Forest Health	S-25
Plants	S-25
Animals.....	S-27
Recreation and Travel Management	S-29
Recreation.....	S-29
Travel Management	S-32
Special Area Designations.....	S-34
Roadless Areas/Wilderness	S-34
Wild and Scenic Rivers.....	S-34
Research Natural Areas	S-35
Special Interest Areas	S-35
Management Area Allocations by Alternative	S-36
Dakota Prairie Grasslands Management Area Allocations.....	S-37
Nebraska National Forest Units Management Area Allocations.....	S-40
Thunder Basin National Grassland Management Area Allocations.....	S-43
Comparison Tables of Differences in Alternatives.....	S-46
Dakota Prairie Grasslands.....	S-46
Nebraska National Forest	S-50
Thunder Basin National Grassland	S-56

List of Figures

Figure S-1: Northern Great Plains Management Plans Revision Planning Units.	Front cover
Figure S-2: Total Jobs Attributable to Livestock Grazing on NFS Lands.	S-18
Figure S-3: Total Jobs Attributable to Oil and Gas Leasing on NFS Lands	S-19
Figure S-4: Pounds of Forage Available to Livestock.	S-20
Figure S-5: Estimated Animal Unit Months of Livestock Grazing.	S-21
Figure S-6: No Surface Occupancy for Oil/Gas Development	S-23
Figure S-7: Desired Grassland Structure-Dakota Prairie Grasslands.	S-25
Figure S-8: Desired Grassland Structure-Nebraska National Forest Units	S-26
Figure S-9: Desired Grassland Structure-Thunder Basin National Grassland	S-26
Figure S-10: Acres of Active Protected Prairie Dog Colonies in 10 Years.	S-28
Figure S-11: Black-footed Ferret Potential Reintroduction Areas	S-29
Figure S-12: Recreation Opportunity Spectrum-Dakota Prairie Grasslands	S-30
Figure S-13: Recreation Opportunity Spectrum-Nebraska National Forest	S-31
Figure S-14: Recreation Opportunity Spectrum-Thunder Basin National Grassland.	S-31
Figure S-15: Travel Management by Alternative-Dakota Prairie Grasslands	S-32
Figure S-16: Travel Management by Alternative-Nebraska National Forest Units.	S-33
Figure S-17: Travel Management by Alternative-Thunder Basin National Grassland.	S-33
Figure S-18: Acres Recommended for Wilderness.	S-34
Figure S-19: Research Natural Areas	S-35
Figure S-20: Special Interest Areas.	S-36
Figure S-21: Alternative 1 Management Area Allocations-Dakota Prairie Grasslands	S-37
Figure S-22: Alternative 2 Management Area Allocations-Dakota Prairie Grasslands	S-38
Figure S-23: Alternative 3 Management Area Allocations-Dakota Prairie Grasslands	S-38
Figure S-24: Alternative 4 Management Area Allocations-Dakota Prairie Grasslands	S-39
Figure S-25: Alternative 5 Management Area Allocations-Dakota Prairie Grasslands	S-39
Figure S-26: Alternative 1 Management Area Allocations-Nebraska National Forest Units.	S-40
Figure S-27: Alternative 2 Management Area Allocations-Nebraska National Forest Units.	S-40
Figure S-28: Alternative 3 Management Area Allocations-Nebraska National Forest Units.	S-41
Figure S-29: Alternative 4 Management Area Allocations-Nebraska National Forest Units.	S-44
Figure S-30: Alternative 5 Management Area Allocations-Nebraska National Forest Units.	S-42
Figure S-31: Alternative 1 Management Area Allocations-Thunder Basin National Grassland	S-43
Figure S-32: Alternative 2 Management Area Allocations-Thunder Basin National Grassland	S-43
Figure S-33: Alternative 3 Management Area Allocations-Thunder Basin National Grassland	S-44
Figure S-34: Alternative 4 Management Area Allocations-Thunder Basin National Grassland	S-44
Figure S-35: Alternative 5 Management Area Allocations-Thunder Basin National Grassland	S-45

List of Tables

Table S-1: Units Under Review, Affected Counties, and Approximate Federal Acres of Each Unit.	4
Table S-2: Capable Rangeland for Livestock Grazing	20
Table S-3: Management Area Prescription Categories.	36
Table S-4: Management Area Acres by Alternative for Dakota Prairie Grasslands	46
Table S-5: Comparison of Alternatives by Major Revision Topic for Dakota Prairie Grasslands	47
Table S-6: Management Area Acres by Alternative for Nebraska National Forest Units	50
Table S-7: Comparison of Alternatives by Major Revision Topic for Nebraska National Forest Units.	52
Table S-8: Management Area Acres by Alternative for Thunder Basin National Grassland	56
Table S-9: Comparison of Alternatives by Major Revision Topic for Thunder Basin National Grassland	57
