

Southern Sierra Science Symposium
Thursday, September 4th, 2008
Visalia Convention Center

AGENDA

- 8:30 AM Registration/Poster Session
- 9:00 AM Introduction (Peter Stine, PSW)
- 9:05 AM Welcome (Tina Terrell, Forest Supervisor/Sequoia NF and Craig Axtell, Superintendent, Sequoia Kings Canyon National Park)
- 9:15 AM Rebecca Reynolds, Facilitator
- 9:20 AM Keynote Speaker, Anthony Westerling (U.C. Merced)
- 9:45 AM **Climate Change**
Current state of science (Nate Stephenson, USGS)
Science guiding management response (Connie Millar, USFS PSW)
- 10:35 AM Break/Poster Session
- 10:50 AM **Fire**
Current state of science (Jan van Wagtendonk, USGS)
Science guiding management response (Scott Stephens, UC Berkeley)
- 11:40 AM **Forest Management**
Current state of science (Malcolm North, USFS, PSW)
Science guiding management response (John Battles, UC Berkeley)
- 12:30 PM Lunch (On Your Own)/Poster Session
- 2:00 PM **Pollutants**
Current state of science (Ricardo Cisneros, USFS)
Science guiding management response (Nancy Grulke, USFS, PSW)
- 2:50 PM **Invasives**
Current state of science (Robert Klinger, USGS)
Science guiding management response (Matt Brooks, USGS)
- 3:40 PM Break/Poster Session
- 4:00 PM Response to these stressors/Wildlife (Dave Graber, NPS)
- 4:30 PM Response to these stressors/Human Communities (Mark Nechodom, USFS, PSW)
- 5:00 PM Concluding remarks (Tina Terrell and Craig Axtell)
