

Over-snow Vehicle Road Restrictions Reduced by use of 10/1-11/15 Forest-Wide Area Based Restriction

Clearwater NF Travel Plan

RP-305

WHAT THIS REPORT SHOWS

This report highlights only ROADS where a broader restriction that spanned the fall hunting season and often beyond was dropped as unnecessary to protect resources or address conflicts and where only the proposed forest-wide prohibition during the core of the big game hunting season from 10/1-11/15 would now apply.

Since this change applies to roads in all action alternatives this report displays only Alt ZCOMM.

WHAT THIS REPORT DOES NOT SHOW

The report does not show the effect of AREA or route restrictions other than those described above. See the Motorized Winter Use Map for AREAS that are restricted.

Changes to trails are not shown in this report.

LEGEND

DISTRICTS	FROM Beginning and ending TO mileposts for the restricted segment.	VEHICLE TYPES
2 - Palouse		<i>All snowmobiles and other track-driven vehicles designed exclusively for oversnow travel and operated entirely on snow. ATV's with tracks do not meet this definition.</i>
3 - North Fork		
5 - Lochsa		
6 - Powell
