For Immediate Release  
Date: October 22, 2009

Contact: Jeff Gildehaus, 406-446-2103

## **Deadline for Concessionaire Campground Proposals Extended**

The deadline for proposals for a special use permit to operate and maintain Woodbine Campground on the Custer National Forest has been extended to close of business on November 23, 2009. The tour of Woodbine Campground as offered in the prospectus will still take place on October 29 beginning at 12:00 P.M. at the entrance gate to the campground. The deadline for proposals from concession applicants was originally November 16.

This campground is located on the Beartooth Ranger District near Nye, MT, approximately 60 miles west of Red Lodge. The Woodbine Campground facility in this offering contains forty-one single family campsites and two small group sites. There is also one campground host site with water, electrical and telephone hook-ups, and a 1,000 gallon septic tank for sewage disposal. One special use permit will be issued to the selected applicant for the facility through a competitive process.

For additional information or for copies of the prospectus, please contact Jeff S. Gildehaus at the Beartooth Ranger District, 6811 U.S. Highway 212, Red Lodge, MT, 59068; by phone at (406) 446-4584; or by email at [jgildehaus@fs.fed.us](mailto:jgildehaus@fs.fed.us).
