

## NRCG 2009 Fire Management Workshop

Billings: Feb 3-4, 2009

Coeur d'Alene: Feb 9-10, 2009

Missoula: Feb 11-12, 2009

### Objectives

- Gain understanding of modification of the guidance for implementation of Federal Wildland Fire Policy
- Understand concepts, overview, thought process and flow for the Wildland Fire Decision Support System
- Discuss how we in the Northern Rockies will resolve documentation process differences
- Review and understand structure protection guidelines and cost share guidelines, and how critical operating plans are to determine roles and responsibilities when wildland fire occurs
