

Red Dyed Fuel.

State Law prohibits the use of dyed fuel in motor vehicles operating upon public roads and highways. The use of off road fuel by contractors while operating diesel powered vehicles on public highways and roads is prohibited and may result in fines.

While working on incidents in Montana, Idaho, South Dakota and North Dakota, state laws must be followed. There are no exemptions for contract, over the road equipment employed as firefighting resources to use dyed fuel while traveling public highways.

To access information regarding off-road fuel, please reference the following sites:

Montana Administrative Rule regarding off-road fuel use can be accessed at the following site:
