Dear Citizen,

The Environmental Assessment (EA) for the Upper Stillwater Campground Renovation Project is now available for your review and comment. Three alternatives were analyzed, including the No Action alternative, a Proposed Action alternative, and a Preferred Alternative developed in response to public comment and specialist concerns.

If you would like a copy of the Upper Stillwater Campground Renovation Project EA, please contact Becky Smith-Powell at (406) 863-5438 or brsmith@fs.fed.us. Paper copies of the EA are available at the Tally Lake Ranger District office located at 1335 Hwy. 93 W, Whitefish, MT 59937, or at the Flathead County Library in Whitefish. An electronic version of the EA is also available at the District Office on compact disc in the Adobe Acrobat (PDF) format or available online at www.fs.fed.us/r1/flathead/nepa/nepa.htm.

We value your opinion regarding this EA. The 30-day comment period begins the day after the legal notice requesting comments on the project is published in the *Daily Inter Lake* (December 9). Please return your comments to me postmarked by January 8, 2008. We expect to make a decision and publish a Decision Notice soon after this date.

Please address your comments to project leader Becky Smith-Powell at 1335 Hwy 93W, Whitefish, MT 59937 or fax (406)863-5437. To submit comments electronically, please send to: comments-northern-flathead-tally-lake@fs.fed.us. Hand-delivered comments should be taken to the ranger station office between 8:00 a.m. and 4:30 p.m. To obtain additional information about this project, please contact me or Becky at (406) 863-5400.

Please note after December 14, 2007 the Tally Lake District Office will be relocating to Kalispell. The new address is 650 Wolfpack Way, Kalispell, MT 59901, and the new phone number is (406) 758-0504.

Thank you for your interest in this project.
