Derby Gulch Road Opening

Big Timber, MT... Beginning November 9 at noon, the Forest Service will open the Derby Gulch Road (FSR 6674), south of Big Timber to all motorized travel.

Derby Mountain Road was closed last summer to replace a bridge where the road was washed away in May 2005 and to improve road drainage as part of the Burned Area Emergency Response mitigation. The Iron Mountain Road will remain closed while road side hazard tree removal efforts continue.

For additional information please contact the Big Timber Ranger District, (406) 932-5155.
