The following organizations provided written comment on this proposal during the comment period:

Alliance for the Wild Rockies
The Ecology Center

C. Agencies and Government

There were no agencies consulted in preparation of this analysis and EA.

D. Indian Tribes

George Reed, Crow Agency

Public Notice and Distribution of the EA

The Fridley Creek, Lewis Creek, Sunnybrook and the Proposed Dry Creek Allotment analysis was announced throughout 2005 in the Gallatin Forest's Quarterly proposed project listing. A legal notice was published in the Bozeman Daily Chronicle (the paper of record) stating that the EA is available for public review and comment. Copies of January 2006 EA are being mailed to persons, groups, and agencies that have expressed an interest in the project. The mailing list was compiled using names and addresses from the following sources:

- Parties who have requested to have their names placed on the mailing list
- Parties who submitted comments to date in the process

Copies of the EA can be obtained or viewed at the following locations:

Livingston Ranger District Office

Copies of the document are also available by contacting Barbara Ping at the following address:

USDA Forest Service
