PARTNERS PITCH IN FOR FOREST REHABILITATION PROJECT

Members of the Great Falls Trailbike Riders, Great Falls Snowmobile Club and Great Falls ATV Club will be joining with Forest Service staff on National Trails Day, June 3 at 9 a.m. along Dry Fork Road (FR#120) to rehabilitate trails and dispersed sites near Finn Creek.

Workers will be repairing and reseeding some of the steep slopes where illegal ATV use damaged areas near dispersed camping sites in the Dry Fork drainage. Also, repair of an outhouse and use of native seed to reseed campsites is planned.

For more information, call John Metrione at the Belt Creek Ranger Station, (406) 236-5511.
