Smokey Bear at White Sox Game

Summertime means baseball season, but it's also fire season. So, Smokey Bear and his Lewis and Clark National Forest friends will be attending the White Sox game Monday, July 10, 7 p.m., to visit with children and share some important messages about preventing human-caused wildfires. Smokey will be throwing out the first pitch and his Forest Service friends will be distributing tokens to those attending the game.

So, join Smokey and his friends at the White Sox game Monday, July 10, and "Remember, only YOU can prevent forest fires!"
