

**ROCKY MOUNTAIN RANGER DISTRICT TRAVEL MANAGEMENT PLAN
FINAL ENVIRONMENTAL IMPACT STATEMENT**

TABLE OF CONTENTS

	Page
Abstract	i
Table of Contents	ii
Summary	ix

CHAPTER I – PURPOSE OF AND NEED FOR ACTION

Document Structure	1
Introduction	2
Project Area	2
Purpose and Need for Action	3
Proposed Action	5
Decision Framework.....	6
Relationship to Forest Plan	6
Relationship to 3-State OHV Decision	9
Travel Management Objectives for Project Area.....	9
Relationship to Previous Travel Plans.....	10
Conformance with Laws, Policy, and Regulations	11
Scoping and Public Involvement Summary.....	11
Significant Issues Considered in Detail.....	14
Non-Significant Issues, Not Considered in Detail.....	14

CHAPTER II – ALTERNATIVES

Introduction	18
Alternatives Considered in Detail	18
No Action Alternative	
Alternative 1	19
Action Alternatives	
Alternative 2	19
Alternative 3	20
Alternative 4	20
Alternative 5	21
Mitigation Common to All Alternatives.....	22
Alternatives Considered but Eliminated from Detailed Study.....	22
Comparison of Alternatives	26
Best Management Practices	34
Monitoring	34
Forest Service Preferred Alternative	34

CHAPTER III – AFFECTED ENVIRONMENT AND ENVIRONMENTAL CONSEQUENCES

Introduction	36
Air Quality.....	37
Effects on Air Quality due to Motorized OHV Travel	37
Water Quality	46
Effects on Water Quality from the Existing Road and Trail System Under Current Levels of Maintenance.....	46

Effects on Water Quality if Human Use Levels or Road/Trail Mileages Increase.....	62
Soil Quality	72
Effects on Soil Quality due to Motorized OHV Travel.....	72
Heritage.....	84
Potential Effects to the Blackfoot Traditional Cultural District	92
Potential for Effects on Other Identified and Unidentified Archaeological and Historical Sites	100
Recreation.....	112
Opportunities for Solitude / Quiet Trails	112
Current and Potential Use Levels by Activity	120
Opportunities for Diverse Winter Recreation.....	140
Opportunities for Disabled Access	149
Cumulative Effects of Past Closures on Opportunities for Motorized Recreation.....	155
Opportunities for Hiker-Only Trails	162
Roadless / Wilderness.....	165
Effects on Roadless Characteristics.....	165
Consistency with adjacent BLM Management of Outstanding Natural Areas	181
Consistency with adjacent National Forest Management	184
Effects on Wilderness Study Areas	188
Effects on Recommended Wilderness Areas.....	195
Social / Economics.....	202
Effects on the Western Heritage Social Value of the Rocky Mtn. Division..	202
Social Conflict between Motorized and Non-Motorized Recreation	206
Effects on Grazing and Special Use Permits	211
Benefits to the Local and State Economy	215
Blackfeet Reserved Rights – The Ceded Strip.....	224
Transportation	236
Effect on Management of the Continental Divide National Scenic Trail	236
Designation of some Roads for “Mixed Traffic”	241
Vegetation	246
Potential for the Increased Spread of Noxious Weeds.....	246
Effects on Sensitive Plant Species.....	251
Wildlife / Fish.....	255
Potential Impacts of Recreational Travel on Seasonal Wildlife Habitats Disturbance and Displacement	278
Potential Effects of Snow Compaction on Canada Lynx	294
Potential Impact on Wildlife Habitat Connectivity	298
Potential for Sedimentation of Fish Habitat.....	305
Effects on Westslope Cutthroat Trout	308
Environmental Justice	310

CHAPTER IV – CONSULTATION / COORDINATION / RESPONSE TO COMMENTS

List of Preparers.....	311
Coordination.....	311
Distribution of the DEIS.....	312
Response to Public Comment	313
Public Involvement	314
The Public Comment Analysis Process	314
Organization and Agency Names and Comment Codes	316

Individual Names and Comment Codes	317
Individual and Organization Names with No Comment Codes	324
Response to Comments	331
Air	331
Alternatives	331
Economic	335
Fire	336
Fisheries	336
Forest Planning	339
Heritage	340
Minerals	341
Outside Scope	341
Planning Process	342
Recreation	347
Roadless / Wilderness	365
Social	367
Soils	369
Transportation	370
Vegetation	374
Water	375
Wildlife	377

CHAPTER V – APPENDICES

A. Montana Water Quality Laws	390
B. Content Analysis Coding	398
C. Evaluation Criteria	401
D. Mitigation	403
E. Monitoring	404
F. Inventoried Roadless Area Datatables	406
G. Best Management Practices	409
H. LCNF Motorized / Non-Motorized Datatables	423
I. Eastside National Forest Statistics	424
J. Economic Data for Selected Industries	426
K. Population Data	428
L. Projection of Employment	429
M. Cumulative Effects Factors to Consider	432
N. Miles Road within 100-Feet of Streams	434
O. Number Stream Crossings by Road / Trail	435
P. Historical Travel Plan Comparisons	438
Q. Comment Letters from Federal and State Agencies	439
R. Acronyms	485
S. Glossary	487
T. References	515

LIST OF TABLES

TABLE #	TITLE	PAGE
CHAPTER I - PURPOSE OF AND NEED FOR ACTION		
Table I-1	Forest Plan Management Direction Summary	8
Table I-2	Significant Issues Addressed in Detail	15
CHAPTER II - ALTERNATIVES		
Table II-1	Comparison of Alternatives	26
CHAPTER III – AFFECTED ENVIRONMENT AND CONSEQUENCES		
Table III-1	National and State Ambient Air Quality Standards	37
Table III-2	2003 Stationary Sources of Emissions	38
Table III-3	1990-1998 Wet Deposition Chemistry of NADP Sites Near the Rocky Mountain R.D. Travel Plan Analysis Area	40
Table III-4	1993-1997 US Geological Survey Snow Sampling	40
Table III-5	Miles of Motorized Roads and Trails	43
Table III-6	Summary of Roads and Trails within 100' of Perennial Streams and Perennial Stream Crossings	50
Table III-7	Summary of Road Maintenance Since 1999	51
Table III-8	Summary of Miles of Roads and Trails Within 100 Foot Buffer of Perennial Streams by Alternative	58
Table III-9	Summary of Road and Trail Stream Crossings by Alternative	58
Table III-10	Miles of Selected Roads and Trails Within 100 Feet of Perennial Streams	59
Table III-11	Land Types and Extent in Project Area	72
Table III-12	Miles of Roads and Trails in Sensitive Soils by 6 th Code Watersheds	74
Table III-13	Trails Surveyed for Soils Concerns	75
Table III-14	Miles of Roads and Trails Crossing Sensitive Soils by Alternative and Road Class	80
Table III-15	Summer ROS Acreage by Alternative (Outside Wilderness)	114
Table III-16	Winter Recreation Acreage by Alternative (Outside Wilderness)	114
Table III-17	Miles of Roads and Trails by Alternative	115
Table III-18	Number and Type of Trails Immediately Accessed from a Trailhead or Access Point	116
Table III-19	Opportunities for Solitude by Alternative (Outside Wilderness)	118
Table III-20	Summer ROS Acreage by Alternative (Inside Wilderness)	119
Table III-21	National Participation in Selected Outdoor Activities	121
Table III-21A	Number of People (in millions) in the U.S. age 16 or older Participating at least once in the last 12 months in Off-Road Vehicle Use, 1999-2004	122
Table III-22	Percentage of Population Participating And Mean Trips and Days per Participant In the Rocky Mountains Region	122
Table III-23	National and Regional Participation And Mean Trips per Year for Selected Activities	123
Table III-24	Percent of U.S. Population, 16 and Older, Participating One or More Times in Last 12 Months in Selected Outdoor Activities (2000-2001)	124
Table III-25	Percentage of People in the U.S. age 16 or older Participating at least once in Last 12 months in Off-Highway Vehicle Use, 1999-2004	125
Table III-25A	Percentage of People in Montana, age 16 or older Participating at least once in Last 12 months in Off-Highway Vehicle Use, 1999-2004	125
Table III-26	Lewis and Clark NF Recreation Activity Participation and Primary Activity, sorted by order of Percent Participation	126
Table III-27	Perception of Crowding by Recreation Visitors in General Forest Areas	127
Table III-27A	Trends in Estimated Percentages and Numbers of Person age 12 and older who Participated 1 or more times in the last 12 months by Activity, 1982-1983 and 2000-2001	127
Table III-28	Indexed Explanatory Variable Projections for Regional RPA Forecasts	129
Table III-29	Projected Changes in Recreation Activity Days between 1995 and 2025 in Rocky Mountain Region and on Lewis and Clark National Forest	130

Table III-30	Miles of Trail Available by Trail Activity by Alternative	136
Table III-31	Miles of Trails / Roads Accessible for Non-Motorized Winter Recreation	145
Table III-32	Miles of Trails / Roads Accessible for Motorized Winter Recreation	146
Table III-33	Acres of Winter Recreation Opportunity Outside Wilderness.	147
Table III-34	Types of Disabilities for Non-Institutionalized Population of Montana	149
Table III-35	Potential Opportunities for Trails Accessible to the Disabled under Alternatives 4 and 5	153
Table III-36	Road Miles on Federal Public Lands	155
Table III-37	Historical Motorized and Non-Motorized Travel Opportunities On Rocky Mountain Ranger District	156
Table III-38	Inventoried Road and Trail Mileage on Five National Forests, the Lewis and Clark National Forest, and Project Alternatives	158
Table III-39	Potential Cumulative Effects on Motorized Recreation in eastern Montana	159
Table III-40	Acreage of Wilderness and Lands Being Considered for Wilderness on Six eastside-Montana National Forests	161
Table III-41	Potential Scenarios for Motorized Recreation in eastern Montana	161
Table III-42	Hiker-Only Trails and Trail Miles by Alternative	163
Table III-43	Inventoried Roadless Areas and Acreage within Analysis Area	165
Table III-44	Wilderness Attributes and Roadless Characteristics	166
Table III-45	Miles of Existing System Travel-ways within Inventoried Roadless Areas	170
Table III-46	Miles of Existing "Undetermined" Travel-ways within Inventoried Roadless Areas	171
Table III-47	Total Miles of Roads and Trails by Alternative Within Inventoried Roadless Areas	176
Table III-48	Winter Travel Restrictions by Alternative Within Inventoried Roadless Areas	177
Table III-49	Comparison of Effects on Inventoried Roadless Area Characteristics	178
Table III-50	Comparison of Effects within Unroaded Areas by Alternative	180
Table III-51	Summer Recreation Season Inconsistencies with adjacent National Forest Travel Management	185
Table III-52	Winter Recreation Season Inconsistencies with adjacent National Forest Travel Management	185
Table III-53	Miles of Existing System Travel-ways within Management Area N – Deep Creek "Further Planning Area"	190
Table III-54	Miles of Existing "Undetermined" Travel-ways within Management Area N – Deep Creek "Further Planning Area"	190
Table III-55	Miles of Roads and Trails by Alternative Within Deep Creek "Further Planning" Area	193
Table III-56	Winter Travel Restrictions by Alternative Within Deep Creek "Further Planning" Area	194
Table III-57	Comparison of Effects on Roadless Characteristics by Alternative within Deep Creek "Further Planning" Area	194
Table III-58	Miles of Existing System Travel-ways within Management Area Q – Recommended Wilderness	197
Table III-58A	Miles of Hiking, Horseback Riding, and Biking Trails Outside Wilderness	199
Table III-59	Miles of Roads and Trails by Alternative within Forest Plan Recommended Wilderness Areas	200
Table III-60	Winter Travel Restrictions by Alternative within Forest Plan Recommended Wilderness Areas	201
Table III-61	Comparison of Effects on Roadless Characteristics by Alternative within Forest Plan Recommended Wilderness Areas	201
Table III-62	Miles of Trail within Bob Marshall Wilderness Complex	202
Table III-63	Trailheads Providing Non-Motorized Trail Access to Wilderness Trail System by Alternative	204
Table III-64	Miles of Non-Motorized Trails outside of the Wilderness by Alternative	204
Table III-65	OHV Management Problems Reported in 2004 by R-1 National Forests	207
Table III-66	Wholesale Value of Selected Equipment in 1994-95	215
Table III-67	Economic Composite Ranking – Lewis and Clark National For. Counties	216

Table III-68	Number of Employees and Annual Payroll for 4 Counties and Montana	217
Table III-69	Expenditure Profiles of Non-Resident Visitors in Montana	217
Table III-70	Employment / Unemployment Data for 4 Counties & Montana	218
Table III-71	Class of Worker for 4 Counties & Montana	218
Table III-72	Visitor Spending for Lewis and Clark National Forest Using NVUM data	219
Table III-73	OHV Sales Data in Montana and United States	220
Table III-74	Number of Registered OHVs / Snowmobiles in Montana	220
Table III-75	Number of Registered OHVs / Snowmobiles in 2004 for Local Counties	221
Table III-76	Outfitter Use & Income on Rocky Mountain Ranger District	221
Table III-77	Tribes within the Analysis Area's Sphere of Influence	225
Table III-78	Mileage of CDNST on the Rocky Mountain Ranger District	237
Table III-79	Summer Season Motorized / Non-motorized Mileages on the Continental Divide National Scenic Trail (CDNST) by Alternative	238
Table III-80	Winter Season Motorized / Non-motorized Mileages on the Continental Divide National Scenic Trail (CDNST) by Alternative	238
Table III-80A	Road Mileages Proposed for Mixed Vehicle Traffic by Alternative	243
Table III-80B	Roads for Further Evaluation of Mixing Vehicles and Stock On Same Roadway under All Action Alternatives	245
Table III-81	Noxious Weed Infestations on Rocky Mountain Ranger District	246
Table III-82	R-1 Sensitive Plant Species - Lewis And Clark National Forest	251
Table III-83	Roads & Trails That May Potentially Affect Sensitive Plant Species	253
Table III-84	Wildlife Analysis Table	255
Table III-84A	Total Acreage of Key Wildlife Habitats, and Acreage and % of each Habitat within National Forest Boundary and within BTM/BCS Areas	261
Table III-85	Wintering Elk Herd Size Estimates	266
Table III-86	Early Winter Sheep Herd Counts	267
Table III-87	Miles of Open Motorized Roads and Trails in Wildlife Seasonal Habitats – by Alternative	279
Table III-88	Total Acreage and % Beyond 500m of Open Motorized Routes in key Spring Wildlife Habitats – by Alternative	281
Table III-89	Total Acreage of BMU Subunits, and Acreage and Percent of each BMU within National Forest Boundary and within Designated Wilderness	284
Table III-90	Total Acreage and % Beyond 500m of Open Motorized Routes by BMU Subunit – Fall and Summer - by Alternative	286
Table III-91	deleted	
Table III-92	Mileage of Designated Snowmobile Trail Open to Snowmobiles in Wildlife Seasonal Habitats – by Alternative	289
Table III-93	Acreage and Percent of Total Seasonal Habitat Open to Snowmobiles in Wildlife Seasonal Habitats – by Alternative	291
Table III-94	Acres of Lynx Habitat	294
Table III-95	Snowmobile Acres in Lynx Habitat	295
Table III-96	Miles of Designated Over-the-Snow Routes Open to Snowmobile Travel in Lynx Habitat by LAU	296
Table III-97	Total Number of Patches ≥ 10 acres and Number of Patches ≥ 10 acres by Size Class	300
Table III-98	Mileage of Open Motorized Routes (Roads and Trails) in Wildlife Seasonal Habitats off National Forest east of the RMRD boundary	302

LIST OF MAPS (separate map pockets)

(8 ½-inch x 11-inch size)

Map 1	Vicinity Map
Map 2	Discussion Areas Map
Map 3	Northern Continental Divide Ecosystem Grizzly Bear Recover Zone
Map 4	Wolverine Natal Denning
Map 5	Wildlife Connectivity – Alt. 1
Map 6	Wildlife Connectivity – Alt. 2
Map 7	Wildlife Connectivity – Alt. 3
Map 8	Wildlife Connectivity – Alt. 4
Map 9	Wildlife Connectivity – Alt. 5
Map 10	Lynx Habitat and Lynx Analysis Units
Map 11	BMU – Bear Management Unit Subunits
Map 12	Hunting Districts

(11-inch x 17-inch size)

Map 13	Forest Plan Management Areas
Map 14	6 th Code Watersheds (HUC-Hydrologic Unit Code)
Map 15	Sensitive Soils
Map 16	Recreation Opportunity Spectrum (R.O.S. - summer) Alternatives 1 and 2
Map 17	Recreation Opportunity Spectrum (R.O.S. - summer) Alternatives 3, 4, & 5
Map 18	Summer and Winter Access
Map 19	Roadless Areas, Adjacent ONAs and Wilderness Areas
Map 20	Wilderness, Recommended Wilderness, & RARE II Further Planning areas
Map 21	Continental Divide National Scenic Trail (CDNST) Alternatives 1 and 2
Map 22	Continental Divide National Scenic Trail (CDNST) Alternatives 3, 4 and 5
Map 23	Elk Winter and Calving Ranges
Map 24	Grizzly Bear Habitat
Map 25	Bighorn Sheep Winter and Lambing Ranges
Map 26	Mountain Goat Winter and Kidding Ranges
Map 27	Watershed Road Density
Map 28	Westslope Cutthroat Trout Distribution

(21-inch x 30-inch size)
