Free Fishing Day Events

The Clearwater Ranger District in partnership with the Cottonwood Bureau of Land Management, Idaho Department of Fish and Game (IDFG), area merchants and Grangeville Lions Club will be presenting their 20th Annual Free Fishing Day event.

The event will be held Saturday, June 7 from 8:00 a.m. to 12:00 p.m., and will be at Jeff and Carla Wilkins' Pond (located off Highway 95 approximately 5.5 miles south of Grangeville). The event is free to all kids age 4-12. An adult must accompany participants.

Area merchants have generously donated to this event in the past. There will be lots of fun, games, and prizes. Please bring your own tackle. The Lions Club members have donated prizes and will be cooking up free hot dogs for all, so bring your pole and join us for a good time.

For further information, contact Scott Vuono at (208) 983-2276.

Idaho Fish & Game is coordinating the free fishing day event at Carolyn's Pond near the Red River Ranger Station. The event starts at 9:00 and lasts until noon.

For more information about the Red River event, contact Larry Wilmont at IDF&G at (208) 842-2300 or Jeff Hosman, at the Red River Ranger District at (208) 842-2126.
