**Reconstruction on Crooked River Road**

**Grangeville, Idaho:** Road reconstruction work has begun on Crooked River Road (FR #233). Construction begins at Forest Road 311, near the old town site of Orogrande, and continues over Orogrande Summit to Wildhorse Bridge. The road will remain open, short delays of 2 hours or less are possible through late October.

Please exercise caution while traveling through this construction site. If you have questions about this project please contact the Nez Perce National Forest at (208) 983-1950.
