### **Winter Recreation Activities**

We believe that you are participating in this workshop because you care about the Chugach National Forest and the quality of the winter recreation experiences it provides. By commenting on a few questions about your winter recreation activities on the Kenai Peninsula, we hope that people will better understand the nature and importance of these activities.

1. What winter recreation activity (or activities) on the Kenai Peninsula do you enjoy most?

2. Why is this activity important to you? What are the benefits you hope to enjoy?

3. What makes this activity a quality experience?

4. What hinders the quality of this experience?

5. Where on the Kenai do you most enjoy participating in this activity?

6. What other kinds of winter recreation activities do other people desire at this place?
