

# ***SAR - DEIS - Chapter 3 - Biological - Vegetation***

<b><i>Comment #</i></b>	<b><i>Comment</i></b>
-------------------------	-----------------------

---

0029063-056	Page 3-142, Line 3334 Since road construction can also lead to introduction of invasive species (e.g., weeds, northern pike, etc), we suggest this be added to the discussion in the Final EIS.
-------------	---

0035157-008	2) Cannot support the limitations to personal use other timber interests which are not adequately - scientifically documented to support those limitations in the local areas.
