Table C.2, pg. C8. Does not identify the historical trails from Tem Lake (MP37) to Ingram Creek MP 75 of the Seward Highway, and from the Hope cutoff MP 57 to the Hope town-site at Mile 0 of the Hope Highway.

A historical trail runs from MP 49 of the Seward Highway to the mouth of Canyon Creek at MP 57 on the east side of Canyon Creek. This should be identified in the trail appendix.
