0028328-017	Prescriptions: Some of the prescriptions have uses allowed that are contradictory to their stated purpose. Additionally, many of the C'lass I and Class 11, which are defined as having little human disturbance, have allowances which could heavily impact the landscape.
0028328-038	Ther is no defintion for Outfitter/Guide Capcity Allocations. What number do these percentages represent?
