0022710-001	<p>What specific improvements would you recommend for the Preferred Alternative?</p> <p>Jack &amp; sawmill Bays, Marshall Pass: Non - motorized</p>
0023144-002	<p>Specifically, ban jet skis and airboats outright. Insofar as you believe you have no jurisdiction over the waters of Prince William Sound, you can still effectively ban such use through prohibiting these machines from any contact with the uplands.</p>
0026987-002	<p>in Valdez leave Jack and Sawmill ways [Illegible] non-motorized.</p>
0029257-003	<p>3. Manage the entire watershed of the Nellie Juan under a year round Non-motorized prescription.</p>
0035394-003	<p>3) Manage the entire watershed of the Nellie Juan under a year round Non-motorized prescription.</p>
0035395-003	<p>I support managing the entire watershed of the Nellie Juan under a year round non-motorized prescription.</p>
0035396-003	<p>In 1983, I was fortunate enough to kayak the river from Nellie Juan Lake to Prince William Sound. We found the river in absolutely pristine condition. This entire watershed should be managed as a non-motorized resource.</p>
0035402-003	<p>And that the management of the entire watershed of the Nellie Juan and South Fork of the Snow Rivers should be under a year round Non-motorized prescription.</p>
