

# Southeast Alaska Discovery Center

Our informative, entertaining and FREE programs address the people and natural resources of Alaska. The Friday Night Insight programs are presented by a variety of speakers and begin at 7:00 p.m., and the Saturday Matinee Movies are at noon and 3:00 p.m.

Friday, February 3rd

No Program Scheduled

Saturday, February 4th

Alaska-Spirit of the Wild

Witness the spirit of the wild and the beauty of Alaska in High Definition, IMAX 40 minute film. Narrated by Charlton Heston.

Friday, February 10th

SEA Glass: Recycling, Art & Community

Michael Fishman will present the very real possibility of turning recycled glass into a work of art. The process and idea were built from creating a sustainable industry in Ketchikan. The combination of recycling and art is a program that will benefit the environment and the city.

Saturday, February 11th

RELAY FOR LIFE of Ketchikan Kickoff Event

NO MOVIE

Everyone is welcome! Informational Booths, Food, Fun and More!  
Help **Celebrate** cancer Survivors, **Remember** loved ones and **Fight Back** against cancer.  
Bring your friends and learn how to start a team for this year's event.

Friday, February 17th

Reflections on Stone

Rachel Esbjornson, a 2011 Forest Service, Voices of the Wilderness artist-in-residence, will share her experience in Misty Fiords and the artwork she completed upon her return. Having found artistic inspiration and personal solace during her time spent in Misty, Rachel will also discuss the importance of wilderness to both the artist and non-artist alike. (Original artwork will be on display).

Saturday, February 18th

Planet Earth: Forests

Prepare to be overwhelmed by the beauty and majesty of Seasonal Forest on Planet Earth in HD.

Friday, February 24th

Ketchikan: By Land-By Sea

Marc Osborne Jr. will present, in his own special way, his interpretation of the local environment and eco-system. Through photos, video, song and/or poetry, all are possibilities to this one person's view.

Saturday, February 25th

Planet Earth: Ocean Deep

Prepare to be overwhelmed by the beauty and majesty of Ocean Deep on Planet Earth in HD.
