

Personal Free-Use Firewood

Boundary II Timber Sale Unit 7A

Unit 7A was logged this spring and the remaining cull material and pulpwood is fair game for personal free-use firewood. This material was kept for use by the public and is **NOT to be used commercially**. Directions to the unit are as follows:

From KMRD:
Take Tongass Ave. North
Turn **RIGHT** onto Revilla Road
Follow Revilla Road past Brown Mountain Road
Road into the unit is on the **LEFT** just as you cross under the power lines.

Feel free to cut any downed and decked material. **Absolutely no standing trees are to be cut**. Be sure to take a rope and/or chain because logs are decked and it may be easier to cut if you pull logs off the decks and cut out of harms way. There is a good mix of yellow cedar and hemlock with some spruce and red cedar. Limit cutting to five cords and cleanup as you cut. **Wear your PPE and as always BE SAFE!!!**

YOU MUST OBTAIN A FIREWOOD PERMIT!!

Permits are available at:

Ketchikan Misty-Fiords Ranger District
3031 Tongass Ave.
Ketchikan, AK 99901

Any questions (907) 225-2148
