

Recreation Opportunity Guide

LAKE NO. 3 PRIMITIVE CAMPSITES

Description: The Lake No. 3 primitive campsites are named for the lake that one of the sites overlooks. This small camping area has a hardened campsite, a fire ring and a picnic table available for visitors looking for a more secluded camping spot.

Access: Lake No. 3 primitive campsites are located on the Kasaan Road (Forest Road 2030), which heads southeast from State Highway 929, the Thorne Bay Road. The campsites are located on the right side of the road approximately 4.5 miles from the turnoff of the Thorne Bay Road.

Campsite Fee: No fee

Stay Limit: 14 Days

Number of Sites: 2

Facilities: Tent site, fire ring, picnic table

USGS Map: Craig C-2

Recommended Seasons

Spring	Summer	Fall	Winter

Attractions: Lake No. 3 primitive campsite is a nice, small site without a lot of amenities. It is within a mile of the Salt Chuck Trail, which brings hikers to an interesting abandoned gold mine site. The campsite is also close to Lake Ellen and No. 3 Lake. Many visitors hike down to these lakes to swim or fish for trout. The second growth stands nearby are good spots to pick berries and may offer opportunities to see deer and bears.

Practice Leave No Trace Skills and Ethics

- ✓ *Plan Ahead and Prepare*
- ✓ *Travel and Camp on Durable Surfaces*
- ✓ *Dispose of Waste Properly*
- ✓ *Leave What You Find*
- ✓ *Minimize Campfire Impacts*
