Tongass Offers Campground Host Opportunity at Mendenhall Lake: Work outdoors, meet campers, enjoy nature, and volunteer in a great setting! The US Forest Service has an opportunity this summer for campers who would like to work in the outdoors as a Campground Host at the Mendenhall Lake Campground on the Tongass National Forest in Juneau. The position provides a campsite with full service for your living quarters, plus a cost-of-living stipend. Hosts from outside Juneau are provided an additional travel stipend. If you have an interest in this opportunity, which runs from 15 May through 16 September, please call 789-6264 or email mramonda@fs.fed.us.

-30-

The mission of the USDA Forest Service is to sustain the health, diversity, and productivity of the Nation's forests and grasslands to meet the needs of present and future generations. The Agency manages 193 million acres of public land, provides assistance to state and private landowners, and maintains the largest forestry research organization in the world. USDA is an equal opportunity provider, employer, and lender.
