Due to the high number of interested firewood users and in order to safely administer and expand the event, the Forest Service has postponed the free personal use firewood offering previously scheduled for this Friday, April 13 and Saturday, April 14 at 25 mile on Veterans' Memorial Highway near Juneau. Dates and times for the rescheduled event will be announced in the near future. The Forest Service appreciates your interest and your patience.

-30-

The mission of the USDA Forest Service is to sustain the health, diversity, and productivity of the Nation's forests and grasslands to meet the needs of present and future generations. The Agency manages 193 million acres of public land, provides assistance to state and private landowners, and maintains the largest forestry research organization in the world. USDA is an equal opportunity provider, employer, and lender.
