The US Forest Service Sitka Ranger District informs those traveling to the Tenakee Springs area that the Forest Service is conducting blasting operations ten miles northwest of Tenakee Springs in the Eaton Creek Watershed, June 20—29. The blasting operation is being conducted to remove impassable culverts and old bridge structures. Anyone with concerns or questions may call Carol Goularte, Sitka District Ranger, at (907) 747-6671.
