## **Public Input Sought for Outfitter and Guide Management along the Shorelines of Admiralty National Monument and Juneau, Hoonah, and Sitka Ranger Districts**

**JUNEAU, Alaska** – Admiralty National Monument and Juneau, Hoonah, and Sitka Ranger Districts within the Tongass National Forest are assessing how to manage outfitter and guide use along the shoreline zone, an important area to many people for subsistence gathering, recreation and businesses. The Forest Service is seeking your input on how best to manage outfitter and guide use at both favorite and lower-use places. Take a few moments to provide us your thoughts at [www.surveymonkey.com/s/WPV6XLB](http://www.surveymonkey.com/s/WPV6XLB).
