Forest Service Proposes to Increase Permit Fee

The Grand Mesa, Uncompahgre and Gunnison National Forest (GMUG) is proposing a fee increase for Christmas tree permits. As proposed, Christmas tree permits would increase from \$8.00 to \$10.00 per tree beginning November 2009 for the GMUG.

The GMUG has not increased permit fees since before 1995. Due to increasing costs of administering the program, we need to look at a small increase in permit fees for next year.

Authorized under the Federal Lands Recreation Enhancement Act (FLREA), 95% of the receipts collected from the permits will be retained locally and used to cover some of the expenses of administering this program.

The GMUG is requesting public comment on this proposed fee increase. Please provide your input on this increase:
