

LAND AND RESOURCE MANAGEMENT PLAN
PIKE AND SAN ISABEL NATIONAL FORESTS
AND
COMANCHE AND CIMARRON NATIONAL GRASSLANDS

AMENDMENT NUMBER 27

(February 2, 2001)

<u>Page Code</u>	<u>Superseded</u>	<u>New</u>
Forest Plan Map (North Portion)	1	1

Reason For This Amendment:

A decision has been made to establish the Stanley Canyon Expansion of the Northfield Multi-User Electronic Site. The Northfield site has been in existence for many years and lies on National Forest system land within the Pike National Forest in El Paso County just west of the United States Air Force Academy. Accordingly, the Forest Plan is being amended to show the Stanley Canyon expansion.

Amendment Number 25:

The north portion of the Forest Plan Map is modified to show the newly-established expansion. See the attached sheet for the site's location.

I have determined that, according to 36 CFR Part 219.10(f), this is not a significant amendment to the Forest Plan .
