

# RECREATION SITES

## National Quality Standards and Assigned Tasks

\* - National Critical Standards [in gray]

KEY MEASURE	STANDARD	TASK #	DESCRIPTION	R2 REQUIRED ANNUAL O&M STANDARDS & TASKS
HEALTH & CLEANLINESS (NFRW)	*Visitors are not exposed to human waste.	H&C 01.01	Clean Fixture	X
		H&C 01.02	Disinfect Surface	X
		H&C 01.03	Refill paper holder (toilet, hand towel)	X
		H&C 01.04	Pay waste system bills	X
		H&C 01.05	Pump toilet	X
		H&C 01.06	Other site-specific human waste-related task	X
	*Water, wastewater, and sewage treatment systems meet federal, state, and local water quality regulations.	H&C 02.01	Pay water system bills	X
		H&C 02.02	Test swim area water.	X
	Garbage does not exceed the capacity of garbage containers.	H&C 03.02	Empty garbage/trash containers (routine schedule)	X
		H&C 03.03	Other site-specific garbage/trash removal task (does not include litter pick-up)	X
	Individual units and common areas are free of litter, including domestic animal waste	H&C 04.01	Pick up litter & animal waste in developed sites with units	X
		H&C 04.02	Pick up litter & animal waste in developed sites without units	X
		H&C 04.03	Remove garbage/trash in "pack-in/pack-out" developed sites	X
	Restrooms and garbage locations are free of objectionable odor	H&C 06.01	Sweep restroom	X
		H&C 06.02	Clean & deodorize garbage location	X
	Constructed features are clean	H&C 07.01	Sweep table pad, clean table, clean-out fire ring	X
		H&C 07.02	Clean building (excluding toilets)	X
		H&C 07.03	Clean dump station	X
		H&C 07.04	Clean water outlets (hydrants & fountains)	X
		H&C 07.07	Clean fish station	X
		H&C 07.08	Remove animal droppings associated with hantavirus risk	X
H&C 07.09		Clean mangers, loading/unloading ramps, corrals, etc.	X	
RESOURCE SETTING (NFRW)	*Effects from recreation use do not conflict with environmental laws (such as ESA, NHPA, Clean Water, TES, etc.)	Setting 1.01	Initiate Analysis. Identify need for specialist analysis and participate as needed to determine mitigation options	X
		Setting 01.02	Mitigate. Physically close site, or appropriate portion of site, with temporary barriers and/or signs (non-constructed features)	X
		Setting 01.03	Patrol site to ensure users do not use/access protected areas	X
		Setting 01.04	Other site-specific analysis task	X
		Setting 01.05	Other site-specific mitigation task	X
SAFETY & SECURITY	*High risk conditions do not exist in developed recreation sites	S&S 01.01	Identify and document hazards	X
		S&S 01.02	Remove identified hazard trees	X
		S&S 01.03	Ensure public safety from high risk	X
		S&S 01.04	Fence off and/or sign sloughs	X
		S&S 01.05	Close/fence off hazardous constructed features	X
		S&S 01.06	Mow or brush vegetation to minimize or abate poisonous animal conflicts and/or limit exposure to poisonous vegetation	X
		S&S 01.07	Other site-specific hazard removal - operations task	X
		S&S 01.08	Other site-specific hazard removal - management task	X
	*Utility inspections meet federal, state, and local requirements	S&S 02.01	Pay utility bills	X
	Activities prohibited under the 36 CFR.261 sections pertinent to recreation use of developed sites are dealt with appropriately	S&S 03.02	Collect fees (includes accounting, deposits, reconciliation)	X
RESPONSIVENESS (NFRW)	*When signed as accessible, constructed features meet accessibility requirements as stipulated in the Access Board's proposed interim Accessibility Guidelines for developed sites	Resp 01.01	Check accessible features and accessibility signing to ensure accuracy and appropriateness.	X
		Resp. 01.02	Remove signs if features signed as accessible do not meet accessibility direction	X
		Resp 01.03	Other site-specific accessibility signing task	X
	Visitors feel welcome	Resp 02.01	Ensure site entrance is marked	X
	Information boards are posted in a user-friendly and professional manner	Resp 03.01	Ensure information board is current	X
	Visitor centers are staffed appropriately during seasons of use and current information is available	Resp 05.01	Staff visitor center	X
Recreation site information is accurate and available from a variety of sources and outlets	Resp 06.01	Provide maps and brochures	X	
CONDITION OF FACILITIES (CMFC)	Constructed features are serviceable and in good repair throughout the designed service life	COF 01.01	Annual Maintenance task	X
