

Table of Contents

Environmental Assessment

Chapter 1 – Purpose of and Need for Action

Introduction	1-1
Proposed Action	1-1
Purpose of and Need for Action	1-2
Analysis Area/Project Area	1-3
Forest Plan Direction	1-3
Objectives	1-3
Decision to be Made	1-4
Public Review and Comment	1-4
Issues	1-5

Chapter 2 -- Alternatives

Alternative 1 (Proposed Action).....	2-1
Alternative 2 (Recreation/Wildlife Emphasis)	2-2
Alternative 3 (No Grazing).....	2-3
Alternatives Considered by Dropped from Detailed Consideration.....	2-4
Mitigation	2-5
Comparison of Alternatives Summary	2-8
Project Level Monitoring	2-11
Site Specific MIS Monitoring	2-12

Chapter 3 – Affected Environment and Environmental Consequences

Introduction	3-1
Project Area	3-2
Wildlife Habitat	3-2
Management Indicator Species.....	3-4
Threatened, Endangered, Sensitive Wildlife Species	3-8
Soils.....	3-13
Watershed/Riparian	3-16
Fish Habitat	3-20
Recreation.....	3-22
Wilderness	3-23

Canon C&H Allotment Environmental Assessment for Comment

Range Resources	3-25
Economic Analysis.....	3-27
TES Plants	3-29
Heritage Resources.....	3-30
Fire and Fuels Management	3-31

Appendix A – Interdisciplinary Team Members

Appendix B – Scoping List

Appendix C – Maps

- Map 1 – Canon Range Allotment Vicinity Map - Statewide
- Map 2 – Canon Range Allotment Vicinity Map - Districtwide
- Map 3 – Canon Range Allotment Suitable/Capable Rangeland
- Map 4 – Alternative 1 – Canon Range Allotment Pastures
- Map 5 – Alternative 2 – Canon Range Allotment Pastures
- Map 6 – Alternative 3 – Canon Range Allotment Pastures
- Map 7 – Canon Range Allotment Watersheds
- Map 8 – Canon Range Allotment Riparian Areas
- Map 9 – Canon Range Allotment Rio Grande Cutthroat Trout Populations
- Map 10 – Canon Range Allotment Soil Erosion Hazard and Soil Health Concerns
- Map 11 – Canon Range Allotment Forest Plan Management Area Prescriptions
- Map 12 – Canon Range Allotment Roads and Trails

Appendix D – Biological Assessments/Evaluations

- Appendix D1 Rio Grande Cutthroat Trout Biological Evaluation
- Appendix D2 Biological Assessment – T&E Wildlife Species
- Appendix D3 Biological Evaluation for Sensitive Wildlife Species
- Appendix D4 Biological Evaluation for Sensitive Plant Species
- Appendix D5 Management Indicator Species Analysis

Appendix E – Economic Analysis

Appendix F – List of Terms
