

Open Houses

Several open houses are planned where you can meet with forest staff to get answers to any questions you may have about the Travel Management Plan. The open houses are a come and go at your leisure format during the times listed. If you want to submit a written comment and aren't sure how to do so, we will be able to help you at the open house. Below is a list of our planned open houses.

In addition, if you would like to have someone make a presentation before a community group or organization, please feel free to contact Wendy Haskins at 970-945-3303 or whaskins@fs.fed.us to arrange this.
