Dear Interested Party:

We received your appeal of the Arizona Snowbowl Facilities Improvement FEIS and Record of Decision. Your appeal was received on April 25<sup>th</sup> and was filed in a timely manner.

After a review was made of the project record however, I have determined that the information in your appeal does not include enough information to respond to or evaluate in my review. There was no specific information about specific changes requested or rationale for changes, explanation for disagreement with the decision, how the decision failed to consider the substantive comments, or how the decision specifically violates law, regulation or policy (36 CFR 215.14(b) (6-9)).

In accordance with 36 CFR 215.16(a)(6), the Appeal Deciding Officer shall dismiss an appeal without review when the appeal does not provide sufficient information to render a decision. Therefore, your appeal is dismissed.

This dismissal decision constitutes the final administrative determination of the Department of Agriculture (36 CFR 215.18(c.)).

Sincerely,

/s/ Harv Forsgren
