Dear Mr. McCarty:

I have received your letter dated 11/05/04 appealing the October 05, 2004 decision by District Ranger Rogers Steed to amend your Term Grazing Permit. This decision amended your Term Grazing permit by including an Allotment Management Plan for the Deep Canyon allotment.

District Ranger Rogers Steed has informed me that he has withdrawn this decision. The AMP was confusing, and therefore will be revised and submitted for your review. Since the District Ranger has withdrawn his decision, your appeal of this decision has been dismissed (36 CFR 251.92 (6)).

An Environmental Assessment was completed on the Deep Canyon allotment, and a decision issued on December 13, 1999. Therefore, if the revised AMP were consistent with this decision, the AMP would be considered a reaffirmation of a prior decision and would not be appealable (36 CFR 251.83(o)).

If you have any additional questions, please feel free to contact Russell Ward of my staff at 505-388-8273.

Sincerely,

/s/ Delbert J. Griego (for):
