RE: Appeal #03-03-07-0002-A251. Dismissal of appeal.

Dear Mr. Brackin:

On December 20, 2002 William's District Ranger issued an Annual Operating Instructions allowing livestock to graze Double A Allotment. This authorization allowing livestock constitutes a withdrawal of the September 27, 2002 decision to not stock the allotment.

I am dismissing your appeal #03-03-07-0002-A251 dated November 11, 2002 based on the withdrawal of the original decision. This dismissal is consistent with 36 CFR 251.92(a)(6).

Sincerely,

/s/ Kathryn L. Shelton (for)
