PART 213—ADMINISTRATION OF LANDS UNDER TITLE III OF THE BANKHEAD-JONES FARM TENANT ACT BY THE FOREST SERVICE

Sec.

213.1 Designation, administration, and development of National Grasslands.

213.2 Authority for Chief, Forest Service, to group, define, and name national grasslands.

213.3 Protection, occupancy, use, administration, and exercise of reservations.

213.4 Prior rules and regulations superseded.

AUTHORITY: 50 Stat. 525, as amended; 7 U.S.C. 1010-1012.

§213.1 Designation, administration, and development of National Grasslands.

(a) The land utilization projects administered by Department of Agriculture designated in paragraph (e) of this section hereafter shall be named and referred to as *National Grasslands*.

(b) The National Grasslands shall be a part of the National Forest system and permanently held by the Department of Agriculture for administration under the provisions and purposes of title III of the Bankhead-Jones Farm Tenant Act.

(c) The National Grasslands shall be administered under sound and progressive principles of land conservation and multiple use, and to promote development of grassland agriculture and sustained-yield management of the forage, fish and wildlife, timber, water and recreational resources in the areas of which the National Grasslands are a part.

(d) In the administration of the National Grasslands the resources shall be managed so as to maintain and improve soil and vegetative cover, and to demonstrate sound and practical principles of land use for the areas in which they are located. The Chief of the Forest Service shall, to the extent such action is feasible provide that policies for management of the Federally-owned

lands exert a favorable influence for securing sound land conservation practices on associated private lands.

§215.1 Purpose and scope.

(a) *Purpose.* The rules of this part have two purposes. First, this part establishes a process by which the public receives notice and is provided an opportunity to comment on proposed actions for projects and activities implementing a land and resource management plan prior to a decision by the Responsible Official. Second, this part establishes an appeal process and identifies the decisions that may be appealed, who may appeal those decisions, the responsibilities of the participants in an appeal, and the procedures that apply for the prompt disposition of the appeal.

(b) *Scope.* The notice of proposed actions and opportunity to comment provides an opportunity for the public to provide meaningful input prior to the decision on projects and activities implementing land and resource management plans. The rules of this part complement, but do not replace, numerous other opportunities to participate in and influence the agency's project and activity planning, such as those provided by the National Environmental Policy Act of 1969 (NEPA) implementing regulations and procedures at 40 CFR parts 1500-1508, the National
