

BRINS FIRE UPDATE

*Great Basin Incident Management
Team 1
June 21, 2006
1800 PM*

Current Status	<p>The Brins Fire showed little growth today. A large smoke column formed mid-afternoon on the west side of the fire as a result of interior fuels being consumed. There was little movement of the fire towards Highway 89A, however; several structures in Oak Creek Canyon continue to be threatened. The fire has crossed Sterling Canyon and is expected to continue spreading in a northerly direction. This is an area of concern.</p> <p>Residents and visitors in the Sedona area can expect to experience smoke in the area, especially during the evening and early morning hours due to downslope winds. The Arizona Department of Environmental Quality is monitoring air quality on a daily basis. Residents with respiratory problems are advised to adjust their daily schedules due to the smoke. Evacuation centers managed by the Red Cross are available for people with respiratory problems.</p>
Estimated Acreage/expected containment	<p>2,456 acres (as of 1800 hours, 06/21/2006). Containment is estimated at 7%. A projected six miles of line currently need to be built.</p>
Resources on the Fire/Costs	<p>Crews: <u>15</u> Helicopters: 9 Engines: <u>31</u> Water tenders: <u>12</u> Total Personnel: <u>695</u> Costs to Date: \$ 1,800,000.</p>

Evacuations	<p>Effective at 5:00 p.m. today, evacuation orders were lifted for the North end of Soldiers Pass Road (everything north of Casa Contenta) and upper part of Jordan Road (everything north of Navahopi), allowing area residents to return to their homes.</p> <p>The evacuation order for the following communities continues:</p> <ul style="list-style-type: none"> ■ Oak Creek Canyon from Midgely Bridge to the fish hatchery in Sterling Canyon (this includes homes, businesses and Forest Service campgrounds). ■ Residents are being escorted in and out by the Coconino Sheriff's Office on a limited basis to retrieve essential items such as personal medications. <p>Two evacuations centers are available: Big Park Community School (This location is for people evacuating south of Slide Rock) 25 W. Saddle Horn Road Village of Oak Creek Sedona, Ariz.</p> <p>NAU Field House Northern Arizona University Flagstaff, Ariz. Corner of Knoles Drive and McCreary, next to the University Union *This location is for people evacuating north of Slide Rock.</p>
Closures and Restrictions	<p>U.S. Highway 89A is closed through Oak Creek Canyon. The closure will be re-evaluated on a daily basis.</p> <p>The Coconino National Forest will close to public access and use Friday morning, June 23, at 8 a.m. due to the increasing fire danger across the Southwest.</p> <p>Effective Friday, the Coconino National Forest will close to public access. Conditions have warranted closure of the entire national forest. Closures in the past have proven to be an effective means of reducing the number of human-caused fires.</p> <p>Included in the Coconino NF closures:</p> <ul style="list-style-type: none"> • All campgrounds, day use picnic areas and cabins on the forest. • All trails on the Coconino National Forest. • All lakes, including Lake Mary, Ashurst Lake, Kinnikinick Lake, Blue Ridge Reservoir, Stoneman Lake.

<p>Closures and Restrictions</p>	<ul style="list-style-type: none"> ● Cinder Hills Off-Highway Vehicle Area north of Flagstaff. ● St. Joseph's Youth Camp near Mormon Lake. ● Arizona Snowbowl Skyride. ● All National Forest System Roads will be closed, but all interstates, state and county roads through the Coconino National Forest will remain open. <p>Trail/Road Closures Related to Brins Fire (Some of these road closures are related to smoke impacts):</p> <ul style="list-style-type: none"> ■ Forest Road 152 off of Dry Creek Road (access road into Vultee Arch) is closed. (The county road known as Dry Creek Road is open.) ■ All trails off of Forest Road 152 are closed. Those trails are: Brins Mesa, Devil's Bridge, and Secret Canyon. Also, the road to VanDeren Cabin is closed. ■ The North Urban Trails System is closed. That system includes Jordan Trailhead, Soldier Pass Trailhead, Sugarloaf Trailhead, Thunder Mountain Trailhead and all trails connecting from those trailheads. ■ Kelly Canyon Road west of I-17 ■ The south end of Woody Mountain Road (Forest Road 231) where it intersects with Forest Road 535 ■ Forest Road 237 at Kachina Village <p>Sedona and Flagstaff still offer many summer attractions and activities. Private campgrounds and the campground at Fort Tuthill County Park near Flagstaff will remain open with campfire and smoking restrictions. All Forest Service offices and visitor centers will be open. The closure will be lifted when sufficient precipitation is received to adequately reduce the risk of wildfire to a manageable level, and hot, dry weather conditions are not forecast to continue.</p>
<p>Incident plans for tonight</p>	<p>Tonight, crews will continue efforts to hold the fire west of Highway 89A, as well as providing structural protection measures for residences and other structures within Oak Creek Canyon.</p>
<p>Objectives for the night</p>	<p>Providing for the safety of fire fighting personnel and the public, keeping the fire west of Highway 89A, and continuing structural protection measures.</p>
<p>Fire weather</p>	<p>Tonight will be mostly clear. Minimum temperatures on the fire will range from 43-65, with maximum humidities of 20-25%. Downslope/downvalley winds of 3-6 mph are expected after 2100 hrs with occasional gusts to 15 mph in Oak Creek and Sterling Canyons.</p> <p>The extended forecast predicts a high pressure system building over the region bringing above normal temperatures Thursday through Sunday. Relative humidities will remain in the single digits to low teens. The possibility exists for isolated late afternoon dry thunderstorms with gusty winds.</p>
