ELDEN PUEBLO

Dating to the period between AD 1100 -1275, Elden Pueblo is a 60-70 room Sinagua pueblo with smaller pueblos, pit houses, and other features. It is located at the base of Mt. Elden in Flagstaff, AZ. Present day Hopi consider the site a special ancestral place called PASIOVI or PAVASIOKI.

Elden Pueblo was first studied in 1926 by archaeologist Jesse Walter Fewkes. Later, the US Forest Service began to study the site and in the process developed a public archaeology education program focused on the following three topics: 1) teaching the public about the lives of the Sinagua people at Elden, 2) field methods in archaeology, and 3) to facilitate on-going research and protection at Elden Pueblo.

Elden Pueblo is located on the west side of Highway 89, just south of Townsend-Winona Rd; about 1-1/2 miles north of the Flagstaff Mall.

FIELD TRIPS There will be a half-day field trip to nearby sites each week. An all day field trip to nearby Verde Valley sites will be offered the middle weekend (free).

LODGING There is an abundance of motels in the area and a KOA nearby. Primitive camping facilities are available on site at no cost (potable water, porta-johns, solar showers). Visitor information will be provided.

ENROLLMENT Mail the enrollment form with appropriate deposit or entire registration fee, **checks payable to AAS**, to Elden Pueblo Project c/o ANHA, 1824 S Thompson St, Flagstaff, AZ 86001.
