Dear Interested Participant

I have signed the decision for the Mormon Lake Basin Fuels Reduction Project.

Enclosed you will find three documents: the Decision Notice, an Errata Sheet to the Environmental Assessment (EA), and Appendix A - Response to Comments. The Decision Notice and Finding of No Significant Impact document my rationale for making the decision. The Errata Sheet contains revisions and corrections that respond to comments received during the official notice and comment period. When placed with the EA, the Errata Sheet serves as the Final EA. In addition, Appendix A provides the Forest Service's response to comments received on the draft EA.

I would like to thank you for participating in this planning process.

Sincerely,

/s/ Terri Marceron
